OOO Income Update

We reported in early April that the income for Old Orchard had come in far below projected levels, and that we were on pace to be \$20,000 short of expenses at the end of the budget year. However, the Lord has responded through his people, and April showed a dramatic increase in giving, leaving us only \$8,500 behind as we begin the last month of the fiscal year:

Period	Income	Compared to previous year	Compared to expected income
April 2012	\$40,668	+\$16,653	+\$13,140
May 2012	\$20,161	-\$5,355	-\$1,861
Jul11-May12	\$293,713	+\$149	-\$8,531

Despite the good news, it is apparent from the numbers that we are still significantly behind last year's budget. We are projecting that based on the spending remaining to the end of the year, **we will be \$6,500 short of what we need to pay expenses unless we see a continued increase in giving.** We have already discussed ways to cut expenses for the rest of the year, and we are trying to make changes without impacting staff salaries or benefits, but there is only so much we can do based on our commitments.

We thank you for your generous support of our church and ask that you continue to share what God has provided you, as together we use those resources to increase His kingdom in this world. Please continue to be in prayer for our church's financial situation, and for wisdom for the Session and diaconate as we seek to make decisions in line with the Lord's will.

--Nate McKie, for the Session
